Dear .....,

**Re:**

I write to you on behalf of the above named person in regards to their application for housing within your district. This person has a diagnosis of personality disorder and therefore I would ask you to consider assessing their application under Section 189(1) of the Housing Act 1996 and pay due consideration to the rules around accepting an applicant as being in priority need.

Further details surrounding their personal circumstances shall be provided by the client to your authority.

Should you require any further information, or need to obtain medical references, these can be provided when necessary by the client.

Yours sincerely,

BPDWORLD Team
